

FOURTH NATIONAL CONFERENCE ON ROAD AND INFRASTRUCTURE

4-5 APRIL, 2019

RASTA, Center for Road Technology was established in January 2002 with a commitment to disseminate knowledge in the emerging areas of Highway & Infrastructure engineering.

Prof. CEG Justo has been associated with RASTA since its inception, as a Technical Advisor & Honorary Professor.

The Center has a team of qualified and experienced faculty and professionals.

RASTA has all the modern equipment to test construction materials in the lab and field; a library with good collection of books and journals and state-of-the-art infrastructure for organising educational courses and training programs.

FOURTH NATIONAL CONFERENCE ON ROAD AND INFRASTRUCTURE

4-5 April, 2019

Venue: RASTA- Center for Road Technology

Volvo Construction Equipment Campus,
Phase 1, Peenya Industrial area, Bengaluru 560058

Infra-Road Tech is being organized by RASTA at Bengaluru on 4-5 April, 2019 for the benefit of graduates and students of Civil engineering.

This conference will provide a platform for the Civil engineering students to showcase their research talents.

Leading experts from educational research institutions and the industry will chair the technical sessions and deliver key note addresses in relevant thrust areas of civil engineering.

Technical papers prepared by students will be reviewed and authors of selected papers will be invited to present their work during the conference. A few selected papers will also be invited for poster presentation.

A Technical Quiz will be organized as an added attraction for all participants.

Attractive prizes will be awarded to the best papers in each session.
